Camp Description

Summers represent a big opportunity for us to immerse your camper in Spanish, at the same time they are engaged in various activities and having fun.

During the week all of our campers will rotate through the following stations as they are immersed in Spanish:

- * **Spanish Workshop** - Every day - For more information visit: www.YPWKids.com/Workshops.html
- * **Bellas Artes : Art of Latin America** - Once a week - Improve your young people Spanish while learning about Latin art and culture. This workshop focuses on developing participants' oral expression and pronunciation skills. Let your child immerse in the Spanish language, culture and art by working on projects inspired by Latin American artists.

In the event that minimum enrollments are not met, we reserve the right to cancel or reschedule camps. If this happens, your entire registration will be refunded.

Camp Description ... Cont

* **Science & Technology** - Once a week -

From robotics using LEGO MINDSTORMS to various Science experiments. Your young people will learn / practice Spanish as they are engaged in some of our most popular science and technology activities from our YPW Science & Technology camps. For more information about YPW Camps, visit: www.YPWKids.com/Summer11.htm

* **Cooking (Food & Recipes)** - Once a week -

Campers will learn about some of Latin America typical food as they prepare it, cook it and eat it!

* **Yoga Classes** - Once a week Tumbling activities for your campers –

* **Team and Active Games** - Every day - Traditional Games

Young People from all over the world share the common love for playing games! We will learn some new ones and find we have some games in common with other cultures. In addition to these activities, YPW Spanish Immersion School Staff plan many special indoor and outdoor events; including, parties, creative dramatics, indoor / outdoor games, picnics, movie day, music and movement.

General Info

Before And After Camp

Before and After Camps provide a fun and safe experience for campers who need to arrive before 9:00 am or stay after 4:00 pm. All campers are supervised by adults. Before and After Camp is only available to registered YPW campers.

Before Camp

7:00 to 9:00 am Monday – Friday

Campers must be checked in at the sign-in table in YPW each morning. Campers are supervised as they play games and watch movies. Campers are escorted to their camp room at 9:00 am.

After Camp

Campers are escorted to the after camp classrooms at the end of the camp day. Campers are supervised as they play games or do craft activities in the classroom. A snack is provided in the afternoon. **Campers must be picked up by 6:00 pm, after which an extra charge of \$1.00 per minute will be applied.**

Locations

YPW Summer Camps are available at the following locations:

YPW at Westlake

3640 Bee Caves Rd
Austin, TX 78746

YPW at Round Rock

3620 Hillside Drive
Round Rock, TX 78681

Registration

You may register for YPW Summer Camps by fax, mail, phone or on-line (coming soon). Once available, On-line registration is preferred and provides instant confirmation.

Fax / Mail Registration

- One registration form must be completed for each camper you are registering.
- Registration forms with incomplete or inaccurate information will not be processed.
- If your first choice is unavailable, we will register your second choice. If your second choice is unavailable, we will contact you for more information.
- Forms may be faxed or mailed. Please do not do both!
- Fax to 512-366-9333 or mail your registration forms to:

YPW Camps

3640 Bee Caves Rd
Austin, TX 78746

Cancellations, Exchanges and Returns

- Due to the high demand for camp spaces, each sale will be considered final.
 - Registrations are not transferable from child to child.
 - Families who cancel a camp or wish to switch their child from one camp to another will receive a 50% refund of the cost of a cancelled or dropped camp if notification is received at least 10 working days before that camp starts.
 - There are no refunds for camps cancelled or dropped less than 10 working days before camp begins.
 - In order to receive the 50% refund, families must contact YPW in writing.
- Fax to 512-366-9333 OR email ypw@YoungPeoplesWorkshops.com OR mail your request to:

YPW Camps

3201 Bee Caves Rd #138
Austin, TX 78746

YPW reserves the right to cancel camps that do not meet minimum enrollment. If a camp is canceled by YPW, families will receive a full refund.

Questions?

Email us at ypw@YoungPeoplesWorkshops.com or leave a voice message at 512-329-5611

Frequently Asked Questions

Registration

How can I find out which camps are available?

The YPW ticketing system will indicate which camps are available. If a camp date is not listed, it has been filled. For further information, please call at 512-329-5611

We do offer a waiting list.

Can you accommodate my child with special needs?

We are happy to accommodate children with special needs but we ask that you notify us of your child's needs prior to your child's first day of camp. Please help us help your child by notifying us of any allergies, accessibility concerns, behavioral, psychological or emotional conditions, or other special needs. Please call 512.329.5611 to speak with the Camp Manager.

While we hope to offer these camps to as wide a range of children as possible, it is not possible for us to offer one-on-one care. In the case of severe food allergies, it is not possible for us to monitor the food other children bring into camp.

YPW is NOT responsible for administering medication to children. Consult a pediatrician about altering the child's dosage so that medication can be administered outside of camp hours.

To make it a full day camp, do I have to pick a morning and afternoon session?

Yes. We offer a wide variety of camps. We strive to help our young campers to discover intelligent fun through our hands-on and fun camps exploring different branches of art, languages, math, science and technology.

Getting to Camp

How do I get to YPW?

You can find directions on our website: www.YoungPeoplesWorkshops.com/ContactUs.htm or call 512-329-5611

Where can I go for YPW summer camps?

YPW Summer Camps are available at the following locations:

YPW at Westlake	YPW at Round Rock
3640 Bee Caves Rd	3620 Hillside Drive
Austin, TX 78746	Round Rock, TX 78681

How should my child dress for camp?

In comfortable clothes that may get messy.

Camp Day

What are the qualifications of your teachers and assistants?

All of our teachers are certified school teachers or highly trained professionals with extensive experience in their respective fields. They all have experience working with children and enjoy hands-on interactive activities.

How are campers supervised?

Campers are supervised at all times. For your child's security all campers MUST be escorted to and from their camp room by a parent or guardian and signed in and out EVERY DAY. We realize leaving your contact information each day may not always be convenient. In the event of an emergency, we want to have the most accurate contact information for you.

For registration assistance, email ypw@YoungPeoplesWorkshops.com

Frequently Asked Questions

May parents stay in the classroom?

No. If you feel that your child is unable to remain in camp without you for more than a few minutes, you probably should wait a year before you send him/her to camp. Our weeklong camps promote independent learning and socialization. Parents are not allowed to remain in the classroom during camp hours.

What are the behavior expectations for campers?

Camper expectations are posted in each room and are emphasized throughout the week. In case of a severe behavior problem, we will call you and ask you to pick up your child. At our discretion, your child may be allowed to return to camp the following day.

Whom may I contact during the day if I need to leave an emergency message concerning my child?

Please call YPW at 512-329-5611 and a staff member will deliver your message to the appropriate person.

Food & Drinks

Does my child need to bring a lunch?

Yes. Campers are supervised in their camp room while they eat lunch.

Does my child need to bring snack?

YPW Provides healthy snacks to campers.

Does my child need to bring drinking water to camp?

Yes. Please make sure your camper brings a bottle of water everyday to camp.

Spanish Camp

Does my child need previous experience with Spanish before enrolling?

No, many YPW Spanish workshops and camps are developed with the beginner in mind.

Do you cover different material every week / camp?

Yes. Every week we cover different vocabulary and key phrases.

My child knows Spanish. Do you have a camp advanced enough to keep her/him challenged?

We design our Spanish Camps for children with different abilities and skills levels. For further questions email at Spanish@YoungPeoplesWorkshops.com

I'm afraid my child may be bored of just taking a Spanish Camp

Our Spanish curriculum is packaged with art projects, games, relay races, cooking projects, drama, singing, and more, all designed to appeal to a young child's sense of discovery and fun.

Our hands-on, interactive, high-energy approach ensures that children are motivated and engaged while learning at the same time.

Our teachers use dramatic presentation, miming, gestures, facial expressions and silliness to enhance both comprehension and fun.

The curriculum, with its varied activities, and the teaching style, with its demonstrative approach, foster in children a positive attitude toward language learning.

For registration assistance, email ypw@YoungPeoplesWorkshops.com or call 512.329.5611

Camp Descriptions

NEW! ART EXPLORERS Ages 4 to 12

Westlake: May 31- June 3 AM July 5 - July 8 PM August 15 - 19 PM &

Round Rock: May 31- June 3 PM June 6 - 10 AM July 11 - 15 PM

This camp is designed as a springboard for your child's own self-expression. Young People will be introduced to Surrealist (Imagine That!), Impressionist (Picture This!), Expressionist (Express Yourself!), and (Make it Pop!) Pop art, while working in various masterpieces. We will also follow the life and work of the masters. Camps are broken up into groups according to age and friends. *New projects are included for returning campers.*

NEW! ART-O-RAMA: Masterpiece Edition Ages 6 to 12

Westlake : June 6 - 10 PM July 11 - 15 PM & **Round Rock :** June 6 - 10 PM July 11 - 15 PM

An artist's dreams come true. Make all kinds of art, using all kinds of materials Create your own masterpiece! Paint like a modern master! Create like a famous sculptor!

Young People will create master pieces such as: an outdoor-safe sculpture in the style of Alberto Giacometti; EZ Encaustics following the ancient screen printing Greek process of beeswax burning; Recycled plastic bag collage to demonstrate the art elements of line, shape and texture, and more! Camps are broken up into groups according to age and friends. *New projects are included for returning campers.*

AROUND THE LATIN WORLD IN 58 DAYS - SPANISH CAMP - Ages 3 To 12

Westlake & Round Rock : Every morning, afternoon or full day session. All summer long.

Join us for a virtual journey through Hispanic countries to know about their people and culture. These countries include Mexico, the majority of the Central and South American countries, and most of the Greater Antilles.

Native speaking teachers will immerse your child in Spanish while having a great time. Every two weeks we will travel to different Latin countries.

Children will rotate through the following stations: Spanish Workshop, Cooking (Food & Recipes), Culture Station (Art & Crafts), Team Games, and Yoga. Camps are broken up into groups according to language skill, age and friends.

NEW! All inclusive, full day Spanish camp. For more information about YPW Spanish Day camp visit: www.YPWKids.com/YPWSpanishDayCamp.htm. Please note the 1/2 day camp is still available.

AQUABOTS Ages 7 to 12

Westlake : July 18 – 22 AM & **Round Rock :** June 27 – July 1 AM

We take our campers beneath the Bermuda Triangle on the undersea adventures of their lives! Young people will spend a week building and programming robots. They'll build robots to explore the ocean floor, save a giant squid, connect an air pipeline, and more. Parents are invited to an end-of-the-session "graduation" at YPW. New challenges included for returning students.

Taking Robocamp - previous session - is not required but it's suggested

BAKING ART Ages 6 to 12

Westlake: June 13 - 17 AM July 25 - 29 AM & **Round Rock:** June 20 – 24 AM August 1- 5 AM

Kids are naturally creative and adventurous and the kitchen is the perfect place for self-expression.

Get your hands in the flour, sugar and butter as we explore classic French baking techniques to make delicious sweet treats like cookies, cupcakes, and muffins from scratch. We also visit the savory side of baking with delicious quick breads and of course homemade Pizza!

Kids + Cooking = Hands-on Fun! Camps are broken up into groups according to age and friends.

NEW! COMPUTER ANIMATION – MAKE YOUR OWN STOP-MOTION MOVIES – Ages 8 to 12

Westlake : June 27 - July 1 AM & **Round Rock :** July 25 - 29 AM

Campers will learn to make their own stop-motion movies by choosing from 17 coolest, cleverest, trickiest stop-motion movies we could do! Watch family photos come to life, a sandwich eat itself, a man ice-skate on the lawn, a cucumber give a speech, and much, much more!. Remember: When you're making your own videos, don't worry about sticking to the script. Think of these projects as jumping off points for your own clever ideas. Your best ideas will come while you're in the middle of shooting, and you should roll with them. Come and have a blast while working on your Oscar winning master pieces!

NEW! CAN'T BELIEVE MY EYES! – The Magic of Optic Illusions - Ages 6 to 12

Westlake: July 5 - July 8 AM August 8 - 12 PM & **Round Rock:** July 5 - July 8 AM August 15 - 19 PM

Campers will be astounded with optical illusions and amazing visual phenomena as they explore the science of human perception in this camp. Young People will experiment with light, and the color spectrum by building most of the following: color wheel, a fiber optic peacock, diffraction glasses, make a curve line look straight, turn cardboard transparent.

Join us to see the world shrink right before your eyes and make white by mixing red, green and blue!

For registration assistance, email ypw@YoungPeoplesWorkshops.com

Camp Descriptions Continued

COMPUTER GAME DESIGN Ages 8 to 12

Westlake: August 8 - 12 AM & **Round Rock:** August 15 - 19 AM

In this hands-on, fun filled camp young people will learn to design and program video games by creating their very own computer game. Kids learn about design and programming practices. At the end of the camp, campers take home on CD the games they create.

The camps are ideal for both experienced and first time campers. Software: Multimedia Fusion 2

COOKIN'UP SCIENCE Ages 4 to 9

Westlake: May 31- June 3 AM July 5 - July 8 PM & **Round Rock:** June 6 - 10 AM July 11 - 15 PM

Cook up some science in this camp! Explore chemistry, physics, and biology with food and common household items. Cook up some crazy chemical concoctions. Learn what cool chemical reactions happen as we cook.

After taking this camp, dinnertime will never be the same again. *New projects are included for returning campers.*

CHESS CAMP Ages 6 to 12

Westlake: June 27 - July 1 PM July 11 - 15 PM & **Round Rock:** July 5 - July 8 PM July 18 - 22 PM

Introduce your Young People to the exciting world of chess. Improve analytical thinking, self-confidence, and competitive skills while learning or improving Chess. While playing chess your child will learn problem-solving strategies not only applicable in the game but also in daily life. The various mental exercises will boost your child's concentration and promote cognitive development. Featuring certified USCF National Master Instruction. Students will be divided into groups based on age and skill level.

DINO DISCOVERIES Ages 4 to 6

Westlake: June 6 - 10 AM July 18 - 22 PM & **Round Rock:** June 13 - 17 AM July 25 - 29 PM

Explore the fun world of paleontology as your young camper becomes paleontologists for the week. Join us this week as we learn all about dinosaurs. We will excavate fossils, examine dinosaur eggs and construct dinosaur models. Learn how dinosaurs once lived and what they ate for dinner by putting together puzzle pieces from the past.

EARTH EXPLORERS Ages 6 to 12

Westlake: June 27 - July 1 PM July 18 - 22 AM & **Round Rock:** July 5 - July 8 PM July 25 - 29 AM

Calling all adventure seekers!

Discover the power of earth, fire, ice, wind, and water as you explore earthquakes, volcanoes, glaciers, and oceans. Create a glacier, a tornado in a bottle; make an edible earthquake and much, much more in this Earth-shaking camp. During this camp, campers will get to know the earth, our effect on it, and how we can be helpful residents on our planet. Young People will also create a model of water runoff, manufacture recycled paper, model the eye of a hurricane, and build devices to explore wind, water, and solar power. Be prepared to get a little muddy, a little wet, and more curious!

NEW! EWWW - BODY SCIENCE Ages 6 to 12

Westlake: June 20 – 24 PM August 1- 5 PM & **Round Rock:** June 27 - July 1 PM August 8 - 12 PM

Campers make fake snot (sugars and proteins), build a model of aching vertebra (backbone), simulate a gurgling stomach and digestion, discover what smells, and see the critters that grow on us (bacterial) all in the name of science. Young People learn about biology and scientific principles with these activities and more. Be prepared to get messy, wet, and, maybe, grossed out.

NEW! FINE ARTS CAMP Ages 4 to 12

Westlake: June 27 - July 1 AM August 8 - 12 PM & **Round Rock:** July 5 - July 8 AM August 15 - 19 PM

Fine Arts Day Camp is a visual arts program. Campers will learn many of the following: painting, drawing, printmaking, collage, hand-built ceramics, collographs, papermaking, mask-making, fabric dyeing, mixed media, and much more. This summer campers will have the opportunity to learn how art and the environment intersect. Our camp focus this summer will be on "Art and the Environment." Some of the art projects campers will do will include looking at artists whose work reflect the environment they live in and how environmental issues affect an artist's work. By studying this subject campers will learn specific techniques in regards to media such as drawing, painting and sculpture. Camps are broken up into groups according to age and friends.

NEW! MESSY, STICKY, AND SLIMY CHEMISTRY Ages 4 to 12

Westlake: June 13 - 17 AM July 18 - 22 PM & **Round Rock:** June 20 – 24 AM July 25 - 29 PM

Campers love to make a mess and chemistry can be very messy. Using easy to find materials kids will enjoy getting their hands dirty with these hands on-experiments. Young People will create their own flubber (non-Newtonian fluid), discover the true colors of M & M's (chromatography), observe the force of spewing gas (Mentos model volcano), and enjoy many other opportunities to learn. Camps are broken up into groups according to age and friends.

Camp Descriptions

MINI MASTERS Ages 4 to 6

Westlake : June 20 – 24 PM July 18 - 22 AM & **Round Rock** : June 27 - July 1 PM July 25 - 29 AM

Learn about the styles of master artists such as Mondrian, Picasso and Van Gogh! Each young person will be encouraged to stretch his/her imagination while creating original prints, sculptures and paintings. *New projects are included for returning campers.*

MODERN ART MARVELS Ages 6 to 12

Westlake : May 31- June 3 PM August 8 - 12 AM & **Round Rock**: June 6 - 10 PM August 15 - 19 AM

Paint, draw and design while learning about the exciting lives of famous 20th century artists like Picasso, Chagall and Warhol. Focus will be on the scope and variety the last 100 years had to offer, making it one of the most exciting times for art! *New projects are included for returning campers.*

PETITE PICASSO Ages 4 to 6

Westlake: May 31- June 3 PM July 5 - July 8 AM & **Round Rock**: June 6 - 10 PM July 11 - 15 AM

It is never too early (or to late) to learn and create!

Young People will discover the ways in which master artists Picasso and Mondrian among others used shape and color in their art pieces. Together, we will create various masterpieces exploring some of the processes of painting, sculpture and printmaking. *New projects are included for returning campers.*

ROLLER COASTER SCIENCE Ages 6 to 12

Westlake: July 11 - 15 AM July 25 - 29 AM & **Round Rock**: July 18 - 22 AM August 1- 5 AM

Young People will experience all the fun of science and explore the science of fun in this camp. Discover why you do not fly out of your seat when amusement park rides turn upside down. Why does a Frisbee fly? How is cotton candy made? Packed with amusing experiments and projects, here is a wild way to teach and to learn the real reasons.

ROBOCHALLENGE: SPACE MISSION ADVENTURE

Westlake : June 13 - 17 AM & **Round Rock** : June 20 – 24 AM Ages 8 to 12

Young People will be taken to fun and fact-filled expedition into deep space. Campers will build 5 robots to explore and perform tasks on Planet H-99, including preparing and building a base camp, monitoring a volcano, rescuing a lost vehicle and more! *Taking Robocamp - previous session - is not required but it's suggested*

ROBOCAMP Ages 7 to 12

Westlake : June 20 – 24 AM - Just for Girls - June 6 - 10 AM - For boys and girls - & **Round Rock** : July 11 - 15 AM - Just for Girls - June 13 - 17 AM - For boys and girls -

This is a five-day fun and creative learning experience for kids to attend during spring break or/and summer. Elementary and middle school kids form project teams to solve challenges by building and programming robots using the LEGO Mindstorms Robotics Invention System. In addition to having fun, participants learn about mechanical and software design, computer simulation, project management and teamwork skills. Parents are invited to an end-of-the-session "graduation" at YPW New challenges included for returning campers.

ROBOTS WITH LEGO NXT Ages 9 to 12

Westlake : July 25 - 29 AM & **Round Rock** : August 1- 5 AM

This camp is an introduction to building and programming robots using the LEGO NXT system. Students will learn mechanical design, construction, programming and teamwork skills. In small teams, using LEGO blocks, motors and sensors, students build robots that can walk, draw, move objects, or find their own way and avoid obstacles. Students use a control console or computer to teach their robots to move, react, and make sounds in order to solve challenges.

ROBOTS WITH LEGO NXT: TERRAFORMERS Ages 9 to 12

Westlake: August 2 - 6 AM & **Round Rock** : August 8 - 12 AM

This Deep Space Terraformers Camp leads young campers to the edge of the universe in a robotic adventure that glimpses a future when humankind will transform distant planets into livable habitats. In this Camp adventure, campers are first tasked to learn basics in the training areas on the Space Shuttle Entropy. Next, campers visit a series of moons, where they hone their terraforming skills. The adventure culminates on the planet Pantheon.

Robo campers help transform Pantheon into an environment where humanoids can live and thrive while building and programming various robots.

Taking Robots With LEGO NXT - previous session - is not required but it's highly suggested

Camp Descriptions Continued

NEW! CLAY WORKS :: POTTERY CAMP Ages 6 to 12

Westlake : June 13 - 17 PM July 25 - 29 PM & **Round Rock**: June 20 – 24 PM August 1- 5 PM

Pottery campers will have the chance to do it all! Some of the projects include making pots, cups or bowls, hand-building with slabs and coils, small cities, group projects and more. We will cover hand building / sculpturing techniques. Campers will also learn about the history and process of pottery/ceramics and see some beautiful and exciting work from other countries. The projects are fun and creative.

NEW! SOLAR COOKING SCIENCE Ages 7 to 12

Westlake: August 1- 5 AM August 15 - 19 PM & **Round Rock**: May 31- June 3 PM August 8 - 12 PM

As the campers "cook" with the power of Sun, campers will learn how the Sun can be used with other renewable energies. Campers will learn to make a solar-powered ice maker, marshmallow melter, "death ray", and a chocolate fondue! Also, campers will build solar-powered models and discover how solar cells generate electricity from light. Models such as: a locomotive, single-prop plane, bulldozer, helicopter, backhoe, and twin-rotor helicopter.

SURGEONS IN TRAINING Ages 9 to 12

Westlake: June 20 – 24 AM July 18 - 22 PM & **Round Rock**: June 27 - July 1 AM July 25 - 29 PM

Learn how to perform dissections on a variety of animals including worms, grasshoppers, frogs among others in this fun and exciting hands-on biology camp. Young people will learn about the circulatory, respiratory, nervous, digestive, and immune systems of their own bodies and apply this knowledge to the dissection and analysis of animal body systems. They will also learn appropriate lab and dissection safety. A great way for future doctors, veterinarians, and biologists to get hands-on experience!

SMASH IT! CRASH IT! LAUNCH IT! Ages 6 to 12

Westlake: July 25 - 29 PM August 15 - 19 AM & **Round Rock**: May 31- June 3 AM August 1- 5 PM

Mind-Blowing, Eye-Popping science experiments. Physics gets messy in this camp. Learn about gravity with a tomato tower, electromagnetic waves by using a microwave to make a marshmallow monstrosity, elasticity with a shoebox catapult, centripetal force by flinging a water bucket and more!

SECRET FORMULAS Ages 6 to 12

Westlake : June 6 - 10 AM August 1- 5 PM & **Round Rock**: June 13 - 17 AM August 8 - 12 PM

Young People investigate the properties of substances as they make their own personal brands of paste, toothpaste, cola, ice cream and magical potions. This camp provides real-life experiences with chemistry, and conveys key science/math skills and concepts.

JUNIOR ROBOCAMP :: FORMERLY : TECH & SIMPLE MACHINES Ages 4 to 7

Westlake : June 6 - 10 PM July 11 - 15 AM & **Round Rock** : June 13 - 17 PM July 18 - 22 AM

There is nothing that little people find more exciting than the rough, tough world of vehicles, aircraft and boats! This camp provides an interactive way for children to learn about the physical world in which they live by designing and building vehicles using Lego construction models. Young People explore basic mechanics and design features; learn to discuss, plan, and test ideas; and strengthen their sorting and classifying skills.

WILDLY CREATIVE Ages 4 to 6

Westlake : June 13 - 17 PM July 25 - 29 PM August 15 - 19 AM &

Round Rock: May 31- June 3 AM June 20 – 24 PM August 1- 5 PM

Young People are invited to be 'wildly creative' as they travel through the animal kingdom with an awesome assortment of art activities. Campers will use a variety of methods and mediums as they explore and learn about animals from A to Z. Dinosaurs, snakes, lions, alligators and more are sure to be included! *New projects are included for returning campers.*
